

THE FRIENDS OF WIRRAL FARMERS' MARKET

Welcome to the Friends of Wirral Farmers' Market!

Wirral Farmers' Market was started in an attempt to bring fresh locally produced food - at affordable prices - to the people of the Wirral.

Now, as we celebrate another year of fantastic markets we would like to invite **YOU** to become more involved in one of the most successful Farmers Markets in the North West.

The Friends of Wirral Farmers' Market is a way in which you can show your support for the market. You will find out more about how it is organised, and play an active role in helping us to provide a much better service to the people of the Wirral.

Friends are also kept up to date with all new developments at the Market – from new producers to new products.

So what are you waiting for? Become a Friend and get more involved – after all, this is **YOUR** market! To join, simply fill in this form and see one of the volunteers at the next market.
